

SPRINKLER CLAMP RSC

Quick-fit pipe clamp for fire protection lines

RSC sprinkler clamp provides secure support for sprinkler piping. Designed for quick installation and long-term reliability.

Application

- Used to securely support and position sprinkler pipes in commercial, industrial, and residential fire suppression systems.
- Ensures sprinkler heads are maintained in the correct position for optimal spray coverage.

Material

- Steel Grade-E250
- Coating – Electrogalvanized, Hot Dip Galvanized

Key Features & Benefits

- Durable Construction – Made from high-strength steel for long service life.
- Corrosion Resistance – Electrogalvanized, Hot Dip Galvanized finish for protection in humid or wet environments.
- Adjustable Fit – Accommodates a range of pipe diameters for flexible installation.
- Easy Installation – Pre-drilled holes or threaded connections for quick mounting.

G	Thread Diameter
D	Pipe Diameter
H	Height
b	Breadth
S	Thickness

Product Variants

Item No.	Description	D (mm)	D (inch)	G (mm)	H (mm)	b x s (mm)	Load (kN)	Sales Unit (Pcs)
401001	Sprinkler Clamp RSC 1/2"	23	1/2	M8	55	20 x 1	3.5	100
401002	Sprinkler Clamp RSC 3/4"	28	3/4	M8	61	20 x 1	3.5	100
401003	Sprinkler Clamp RSC 1"	35	1	M8	70	20 x 1	3.5	100
