

# PURLIN CLAMP RPC

## Quick-fit clamp for roof purlin fixings

RPC purlin clamp allows fast, drill-free attachment for Z-purlins. Suitable for hanging HVAC, sprinkler, or cable tray systems from metal roofs.

## Application

- Designed for suspending threaded rods directly from purlins without drilling or welding.
- Provides a secure connection to purlins for lightweight and medium-duty support systems.

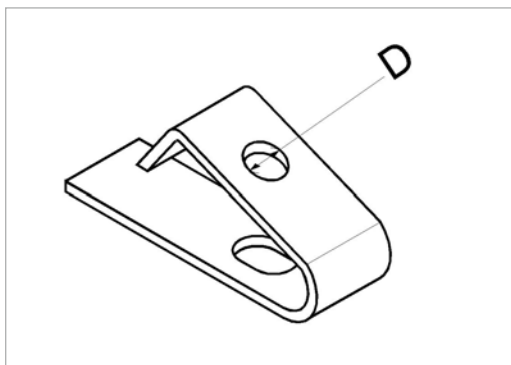

## Material

- Steel Grade-E250
- Coating Electrogalvanized, Hot Dip Galvanized

## Key Features & Benefits

- Fast and simple installation by clamping directly to purlins, eliminating the need for drilling holes.
- No damage to structure and preserves purlin strength.
